

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial
photographs taken 1972. Field checked 1972.
Projections and 10,000-foot grid lines. Area and
volume by photogrammetric methods. Contour interval
1000 feet. Universal Transverse Mercator projection,
zone 15, shown in blue. 1927 North American
datum. Fine red dashed lines indicate selected features
generally visible on aerial photography.
